Re: Application of: James A. Patterson, et al.
Attorney's Docket No. P-1754
For: Composition for Arresting the Flow of Blood and Method

Dear Sir:

The patent application as referenced above is enclosed. This application consists of twenty one pages of specification, claims, and abstract.

Also enclosed is an assignment with cover sheet, a declaration and power of attorney, an information disclosure statement, a transmittal sheet, an information data sheet and our check for the required filing fees for a small entity. You are hereby authorized to charge any underpayment or credit any overpayment, to Account No. 16-2454.

We are further enclosing a Petition to Make Special and Affidavit. Under 37 CFR 1.102(c), "A petition to make an application special may be filed without a fee if the basis for the petition is the applicant's age...". Therefore, it is believed there is no fee required for entry of the Petition.

Thank you for your cooperation in this matter.

Sincerely,

Charles J. Prescott
